

**Frequently Asked Questions (FAQ's) #2 for BAA 06-025  
“Pacific Missile Range Facility (PMRF) Base Protection  
Laboratory (PBPL)”  
20 July 2006**

1. Page 14 of the ONR BAA 06-025 Solicitation indicates that the NAICS Code is 54710. Was this supposed to be 541710 – Research and Development in the Physical, Engineering, and Life Sciences?

**A:** Yes. The NAICS Code is 541710 – Research and Development in the Physical, Engineering, and Life Sciences.

2. The BAA for PMRF Force Protection Lab is due 31 July 2006. Is a due date extension possible?

**A:** No.

3. Is the Phase II, "Pacific Missile Range Facility (PMRF) Base Protection Laboratory (BPL)," a new requirement? If it is not new, would it be possible to receive the incumbents name, contract number, date of award, period of performance and monetary value?

**A:** Yes, the Phase II “Pacific Missile Range Facility (PMRF) Base Protection Laboratory (BPL)”, is a new requirement. The PBPL project is an S&T effort to advance the state of the art of applying persistent surveillance methods to base protection/security issues. Establishing such a laboratory at PMRF will enable technologists to develop sensors, behavioral algorithms, and system tools and techniques that improve security in an open access realistic environment.
